

## SH 99 GRAND PARKWAY H & I CONSTRUCTION

### COME & GO EVENTS SCHEDULED TO PREVIEW AESTHETIC CONCEPT

Grand Parkway Infrastructure (GPI) is the design-build contractor that will be building the SH 99 Grand Parkway Segments H, I-1 and I-2 on behalf of the Texas Department of Transportation (TxDOT).

We are eager to share the preliminary aesthetics concept for the project at a special come and go event for residents, businesses, elected officials and staff, transportation agency executives, and the general public. As an important partner in this project, we hope that you will join us and share this invitation to help raise awareness of the events to the community. Likewise we are happy to schedule a one-on-one briefing with you and/or your staff.

If you have any questions please contact Heather DeLapp, GPI Public Relations Manager at [info@gpi-99.com](mailto:info@gpi-99.com) or 972-809-9479.

## YOU'RE INVITED
